FLOORING THOUGHTS

Whether undertaking a new build, renovating an entire space, or remodeling only one room – either residential or commercial – there's likely a flooring decision that awaits.

Typically, step one is to narrow the choice, for example, patterned carpet, rustic luxury vinyl plank or large format tile. The location and design preference are driving factors.

With a product type in mind, the next move is to pick a brand. The multitude of choices can seem overwhelming. If the name is not recognizable, there's a question of whether or not they're reputable. It would be easier to have one brand that's reliable for every product. Luckily, there is – Mohawk Flooring.

MOHAWK OVERVIEW

For nearly 150 years, Mohawk been known as a trustworthy provider of quality floor covering. It's a tradition forged with excellence and innovation. In fact, they're the world's largest flooring company.

Every imaginable decision points to a product available from Mohawk – hardwood, vinyl, carpet, tile, laminate, area rugs and more. From traditional styles to trendy choices, they have a floor for every room and everyone.

For the conscientious mindset, they engage in environmentally responsible practices, from developing renewably sourced products to keeping their facilities and delivery systems streamlined and efficient.

As the industry leader, Mohawk is the one answer for every flooring decision.

Mohawk / Urban Reserve

HARDWOOD

The timeless appeal of hardwood endures. It radiates natural beauty in any room. From classic looks to trendy styles, it's obvious why this flooring is so often sought, especially from Mohawk. Emitting attraction to the eye and performance underfoot, it brings forth an air of sophistication.

Mohawk / North Ranch Hickory

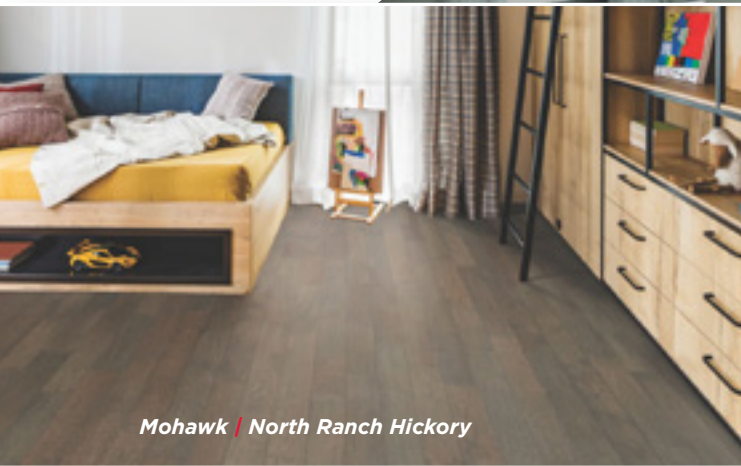

Understanding the existence of different tastes, Mohawk Flooring offers a variety of hardwood choices for any design – rustic, contemporary, traditional, transitional and more. It's easy to be drawn into their abundance of possibilities.

The company branches out with every species imaginable. This consists of well-known stalwarts like oak, maple, cherry, pine, hickory, walnut and numerous others. It also includes exotics, such as bamboo, and sometimes lesser known boards (but not lesser quality) like acacia.

HARDWOOD

Often being at the leading edge of trends, Mohawk recognizes the demand for wider, longer boards, creating a more open appearance. Likewise, for those seeking an intimate feel, they offer boards with narrow widths.

Embrace a color, such as a chic gray or a classic brown, just to name a couple. Select a tone ranging from light for a sense of serenity to dark for an atmosphere of richness. Mohawk offers it all.

Combinations of surface textures are available for varying looks, extending from rustic charm to sleek modern. This includes smooth, hand scraped, wire brushed and distressed wood. The result is a floor from Mohawk with distinctive character.

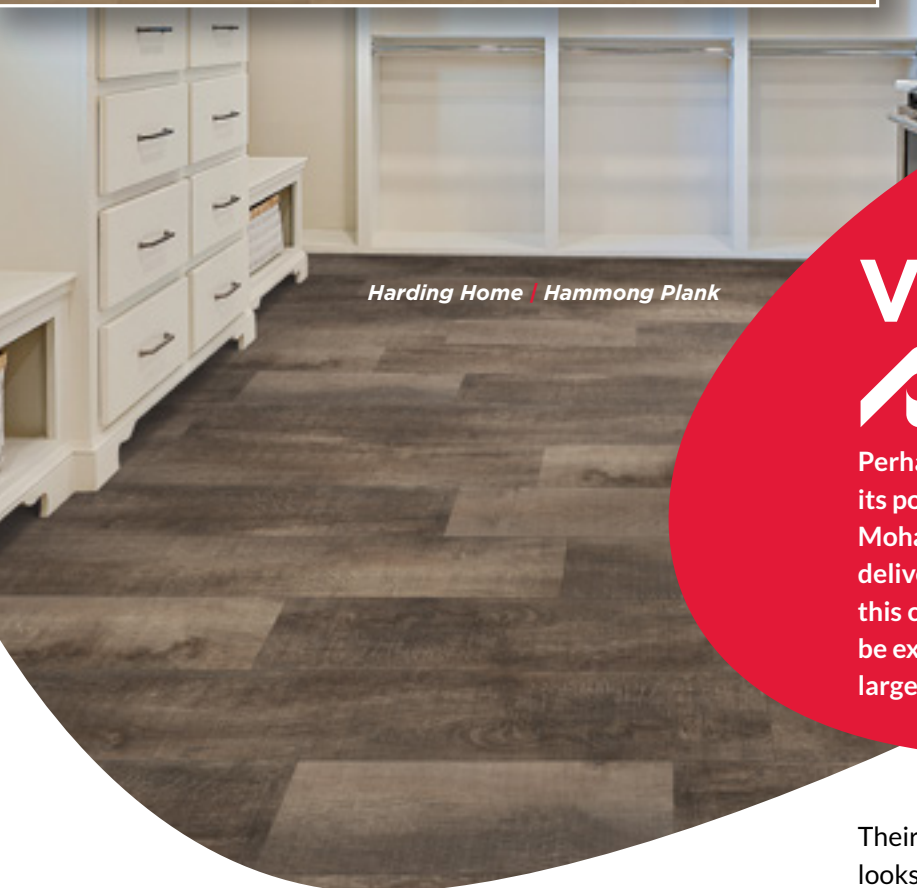

The versatility of these planks, able to achieve any expression desired, is their hidden splendor. Whatever its surroundings may be, the elegance of Mohawk hardwood is unmistakable.

VINYL

Perhaps no floorcovering has seen its popularity rise like luxury vinyl. Mohawk is at the forefront of delivering outstanding options in this category. Nothing less should be expected of the industry's largest flooring company.

Their choices sport so many perks, including marvelous looks and tremendous durability. This is a flooring that's kid friendly and pet friendly. Numerous styles also boast waterproof protection.

Enjoy a varietal that encompasses the two most often sought: luxury vinyl plank (LVP) and luxury vinyl tile (LVT). A room is graced by the presence of either of these superlative floors. The lineup doesn't conclude there, as there's also engineered stone, sheet vinyl and vinyl composite tile (VCT).

VINYL

Envision the desired look and vinyl from Mohawk is sure to please. Their assortment presents views that mimic wood, stone and ceramic. No matter which is chosen, the floor is certain to bring forth an exquisite expression.

A spin of the color wheel unveils an array of hues from Mohawk. Opt for one of their light tones, which are expansive and airy to make a room seem larger and brighter, or pick one of their dark colors, which are sophisticated and warm to give a space an intimate appearance. With several options in between, there's sure to be a color to suit the design.

Rooms come in a host of dimensions. That's why Mohawk offers vinyl in all manner of sizes to accommodate a space. Discover a realm of measurements, such as wide and long planks, square or rectangular tile, and a bevy of other sizes.

The desire to incorporate this impressive flooring in a project is understandable. It serves up delightful appearances and impeccable performance. With Mohawk vinyl, there's no doubt an exceptional selection will be found.

CARPET

Carpet from Mohawk blends appeal for the eye with softness for the feet. Their technology advancements have elevated today's options, enabling stellar designs and remarkable performance.

Mohawk | Homefront I

Homes with little ones or little furry ones are not a threat. Mohawk carpet holds up with the durability demands of active families. That applies to the human side too, which means heavy foot traffic doesn't diminish this flooring's look or longevity. Profound performance is inherent in the Mohawk carpet collections.

Gaze upon a vast assortment of picks from the carpet color wheel. Nearly every hue from bright to dark can be found. The selected shade can complement the space or provide a stylish contrast.

CARPET

Mohawk shines in delivering solid carpet which meshes with the ambiance, yet they also excel in the realm of patterned carpet. From unassuming tone-on-tones for a subtle approach to bold prints to create a statement, a layer of sophistication and design can be applied to the room.

Every concept has a carpet style in mind (think: frieze, berber, plush, level loop and more). Turn to Mohawk for an array of options that blend perfectly with the room décor, creating the desired aesthetic.

Mohawk / Timeless Form

Mohawk has a full arsenal of fibers to peruse. The list encompasses nylon, wool, polyester, and olefin. Each is produced to last and maintain its appearance.

Carpet doesn't go out of style. The selections from Mohawk showcase tantalizing opportunities to bring cushion and pizzazz to a room, bolstered with impressive performance.

Mohawk / Natural Splendor III

TILE

What separates tile from other flooring is its versatility. It offers a wealth of materials, patterns, sizes, shapes, colors... which brings about endless possibilities. Mohawk tile embodies this well which is why it's the preeminent choice.

Each project can require a different tile. This may be field tile, accent, deco, medallion or mosaic. Mohawk is the source for whatever type is needed, ensuring the desired vision is achieved.

Location. Location. Location. Mohawk tile can be found just about anywhere. It has ability to go inside or outside, as well as on the floor or on a wall. It can surround a fireplace or the entire room. This is one of many attributes that makes it so enticing.

Entrust Mohawk to provide the optimal tile material for any project. Options include ceramic, porcelain, glass and natural stone (think: travertine, limestone, granite, marble and slate).

Mohawk delivers tile with an abundance of sizes to fit any space. Their assortment ranges from large format to small mosaic, and practically everything in-between. The variety demonstrates that they understand a design may call for a room to appear larger and more open or perhaps more intimate.

Tile comes in plenty of shapes to create layouts that amaze the eye. From squares to rectangles, Mohawk has the traditional four-sided tile arena covered; however, they also have an ample supply of other geometric shapes, like hexagon.

TILE

Mohawk tile can be laid out to create a pattern (think: pinwheel and windmill), be cut for for a pattern (e.g., chevron and herringbone), or actually be a patterned tile. It's a prime example of the company delivering on tile's flexibility.

Mohawk tile emits quality, beauty and performance. The consistency within their selection enables every decision to be made with confidence.

LAMINATE

One category seems to best epitomize the significant advancements with flooring – laminate. This is not the laminate of old. Its rebirth has resulted in outstanding styles from Mohawk that can energize any room.

RevWood Plus / Crest Haven

RevWood / Barrington

It begins with performance. Mohawk laminate is exceptionally durable, resisting stains, scratches, fading and dents. It's worry-free assurance that the floor won't lose its look. Take it up a notch with waterproof styles, keeping liquid spills on the surface for quick cleanup. There's also pet protection that keeps the floor in great shape in homes with fur babies.

When a particular appearance is sought – whether wood or tile – Mohawk laminate is the choice. They have styles for any design, such as rustic, contemporary, traditional and more. They're suitable to elevate just about any room.

RevWood Plus / Western Ridge

LAMINATE

If a wood look is desired, numerous species can be browsed. This includes oak, hickory, walnut, pine, and even chestnut. Mohawk has a broad selection available.

RevWood / Barrington

RevWood / Reclaimed Chic

Choose from fantastic finishes. A light tone creates an inviting area, while a dark finish provides a rich and cozy space, and there are generous choices in between. Mohawk laminate comes in shades spanning brown to gray, matching any décor.

Mohawk has reinvigorated this product category. It provides elegant appearance paired with powerful durability. With such a tremendous selection, it's easy to see why Mohawk laminate is the top choice.

AREA RUGS

To highlight a specific space within a room, area rugs may be employed. They shine at adding distinction and character. Mohawk provides area rugs for any style taste to blend with the room ambiance or stand out as a statement piece.

An area rug can be solid color or possess a creative pattern. In either case, it can appeal to the eye in a variety of settings. This applies to rooms that are contemporary, rustic, traditional and more.

If the precise look isn't found within the available selection, a custom approach can be utilized. Choose a Mohawk carpet and have it bound into a custom area rug. This makes certain that not only the preferred appearance is achieved, but the perfect size as well.

Daltile / Industrial Park

COMMERCIAL

Mohawk is also the premier provider of flooring outside the residential market. For commercial applications, they manufacture some of the finest floors.

Mohawk recognizes the varying flooring needs of each business. That's why they carry options for practically every property type. Their reach extends beyond the everyday office – which they cover very well – into education, government, healthcare, hospitality, retail, senior living and more.

An abundance of flooring possibilities exist for commercial properties. Choose from carpet, carpet tile, hardwood, laminate and tile. Mohawk also has several vinyl options like luxury vinyl plank, luxury vinyl tile, vinyl composite tile, resilient sheet vinyl, and even rubber.

Mohawk / Surfing the Net

The durability of commercial floors is imperative. Mohawk ensures their flooring will withstand heavy foot traffic and weight from furniture. This brings about floors with lasting looks and performance.

Mohawk spearheads the flooring business, especially when it comes to floors for businesses. The commercial industry knows this is the company to turn to for superior products underfoot.
